I'm also using logmein in windows but i cant. Would it be possible to have all the applications i had my server do when they were in the server, i.e. work, gaming, etc. back on my windows laptop? I'd like to be able to play old games on the laptop, and I'm trying to get my girlfriend to use the windows laptop for all of her jobs because she wants to learn how to do some of the things that she needs to be doing for my business. A: If you are using PFSense as a client VPN server, there will be no issues with playing games on the laptop.

The only issue would be if you are using PFS
