Download or Install app in Google Play and APK (with MOST APK files), Apple App Store and Amazon Appstore Overview of the app Welcome to the Talking Bacteria world! It has been a long time since I talked to you! No, no, no. I'm not old as they say, I'm older. But no, no, no I haven't forgotten your very first conversation. Who am I? Don't worry about that. You're not the only one who likes to talk, because I've talked to a lot of people on this planet. Talk is an important part of our lives. And of course I'm here talking to you because talking is my favourite thing. Of course I'll be able to speak with you about my surroundings. Let's see...Oh yes! Talking to people who do not like me is a bit of a challenge. Fortunately I can still talk with all my friends. You can ask me about them 2d92ce491b
